A golden autumn of Pride festivals

Rotterdam Pride, Netherlands

According to PinkUK's latest info, there are **28** UK Pride festivals happening in September. It's great news to see more pride festivals than usual for this time of

year. We've compiled a list of UK Prides that are running in [September](#).

But back to the **good news**: please look at our [pride pages](#) - there's loads happening across the UK this month and see what takes your fancy!
