Spring is here, well the meteorological spring. I have certainly noticed the nights are getting shorter, the buds on the trees are getting fatter and the snow droops are out. March also means it's the [London LGBTIQ+ Festival](#) 18-29th, packed with some of the best new queer films. Then for all our Irish friends, is St. Patrick's day on the 17th March.

Our latest featured article: The coldest months are actually the perfect time for bedroom warmth. Winter Fun in the Bedroom. [Read more](#) in our latest [features & views](#).

On the 31st March, Stonewall has an article [Trans Day of Visibility A Global Perspective](#). We have our own Trans section of the site that lists Trans events and venues from around the world.
