

## Whistler Pride & Ski Festival 2026, Whistler, Canada, 25th January 2026 to 1st February

**M**anchester pride, one of the big three prides (after Brighton & London), has been bit by these bad times and has going into voluntary liquidation. This may be a sign that these large prides are getting too ambitious, resulting in high running costs and they should scale back their festivals and go back to prides routes. See our article September 2024 [Pride's not just a party - it's a movement](#).

**International Transgender Day of Remembrance** takes place on the 20 November to honour the

memory of the [transgender people](#) whose lives were lost in acts due to anti-transgender violence. Find out more on the Stonewall site [what is it and why is it needed](#).

This month we have an article from [Lemoncams](#) giving a guide to the [UK's Favourite Sex Positions](#).
