LGBTQ+ news for the UK & World

Unfortunately with regret, we will no longer be sending out monthly emails and this is the last one.

These are for several reasons.

a. The cost in time and money is no longer feasible

b. spamfiltering.com class our emails as spam, so many recipients can no longer see the images

c. Microsoft Publisher that we use to create the PDF version of the email is no longer being supported

This will not affect anything on the website so stay tuned for all the latest prides that are taking place around the world.

Prides & LGBTQ events:

In **2026**, we have **335** prides/LGBTQ+ events in the UK, and **1,346** globally in **61** countries.
In **2027** we have **61** in the UK and **241** in **30** countries.
